Video Stationery

by Proton Paperie & Press

Video stationery is a new way to share your story with the people you love. It's a card that you send through the mail, just like traditional stationery... but when it's opened, your video plays automatically!

Share your love story like never before

It's perfect for **invitations** and **announcements**. From weddings to anniversaries, a birth to a mitzvah, video stationery makes your milestone even more special!

Video stationery also makes a special **thank you gift** after your event! Include your event video and relive your big day, or share it with those who couldn't attend.

All invitation packages include **bespoke design services and consultation**. Your art will be created especially for you and will be **100% unique**.

Features

- Bright 7" screen (widescreen 16:9 ratio)
- Auto-plays when the card is opened
- Speaker for audio & music
- Rechargeable via USB cord (included)
- Video length from 30 seconds to several minutes
- Custom design & endless finishing options

Luxury Video Wedding Invitations

Luxury invitations are handcrafted with all the bells and whistles!

This is a double fold-out piece with a pocket for insert cards. Your bespoke design will be printed with two-color letterpress printing on 100% cotton paper, with hand painted watercolor details. Also included in the price are three insert cards, a wrap band, and a special art paper to enclose the screen.

Of course, all these details can be customized to create the invitation of your dreams!

Mixed Video & Classic Invitation Packages

Interested in sending video stationery to just part of your guest list? No problem!

We offer packages that include both video and classic paper invitation suites. We use the same art that is created for your video invitations, so everything is consistently gorgeous! Prices range from \$7-15 per piece for add-on paper invitation suites (depending on printing style and pieces); please contact us for your quote!

Videography Services

You can provide your own video if you prefer, but we recommend letting our videographer create a professionally produced video for you!

For wedding invitations, we offer a 3-4 hour engagement-style shoot, complete with an interview where you'll **tell your love story!** Book a love story shoot, and you'll get a discount off your wedding videography package, too.

Please contact us for your videography quote (including day-of-event services). Our videography team is located in central Florida, but loves to travel!

Mailing & Calligraphy

For an additional \$9 per piece*, your invitations will be beautifully packaged, and addressed, ready to stick in the mail!

This service includes a sturdy kraft mailing box, tissue paper packing, a custom sticker seal, and pointed pen calligraphy for the guest and return addresses (and response envelope, if applicable). Also included is our stamping service -- we'll calculate the correct postage and create a mosaic of beautiful stamps!

* Postage is not included in this price -- you should expect to pay between \$3.50 and \$9 per piece, depending on final weight, desired mail class, and destination. A surcharge of \$0.50/piece is applied for white or metallic ink calligraphy.

Bespoke Design

Every stationery package includes bespoke design services. That means that **your invitation is created just for you**, following a design consultation where we get to know you and your style. Art revisions are included in the price - we want you to fall in love with your design!

Every aspect of these invitations can be customized, from the paper and color choices to the inserts and embellishments. From die-cuts to gold foil, rhinestones to ribbons, subtle shimmer to lavish bling, we can make it happen!
